(b) if not, the reasons for delay in taking the decision; and

(c) in what manner the losses being suffered by the States due to this would be compensated?

THE MINISTER OF STATE IN THE MINISTRY OF COAL (DR. DASARI NARAYAN RAO): (a) and (b) No, Sir, as the matter involve wide ranging inter-Governmental and inter-Ministerial consultations.

(c) Section 9 (3) of the Mines and Minerals (Development and Regulation) Act empowers the Central Government to enhance or reduce royalty rates in respect of any mineral as may be specified in the Notification. The proviso to Section 9 (3) of the Act prevents the Central Government from enhancing the rate of royalty in respect of any mineral more than once during any period of three years.
